FOR IMMEDIATE RELEASE

ERB'S TECHNOLOGY SOLUTIONS ACHIEVES CISCO CUSTOMER SATISFACTION EXCELLENCE

Erb's Technology Solutions has been recognized by leading Vendor, Cisco Systems for achieving Cisco Channel Customer Satisfaction Excellence.

Cedar Rapids, IA, February 17, 2010 - Erb's Technology Solutions, the area's preferred Information Technology provider, was recently recognized by industry leader Cisco Systems for their excellence in Channel Customer Satisfaction.

Customer Satisfaction Excellence is the highest distinction a partner can achieve within the Cisco Channel Partner Program. This assessment is based upon the customer satisfaction results captured in the Cisco Partner Access Online tool. Cisco acknowledges Certified Partners that have the highest customer satisfaction distinction within each geographic region.

Customer Satisfaction Excellence is a core value and a key driver of Cisco's current and future successes. Erb's received this congratulatory mention for their continued commitment to the success of their customers.

About Erb's Technology Solutions

Erb's Technology Solutions is the preferred Information Technology provider in the Cedar Rapids community and surrounding areas for almost 50 years now. We work with businesses and organizations small and large across the state of Iowa to provide technology solution sets designed to assist and streamline your day-to-day operations; anywhere from planning to implementation to supporting your technology environment. Our expertise and services span the entire "Technology Lifecycle," and we work hard to ensure each of these steps is satisfied.
