**Erb's Technology Solutions Named to HP Healthcare Elite**

Hewlett-Packard recognizes Erb's once again for their best-in-class competency.

**Cedar Rapids, Iowa, March 30, 2011** – Erb's Technology Solutions is proud to announce their recognition by Hewlett-Packard as a Healthcare Elite. Erb's is amongst a select few nationwide named to this designation, and it marks their 5<sup>th</sup> Elite Specialization from HP. Among this list include Networking Elite, Office Printing Solutions Elite, Public Sector Elite and SMB Elite.

In order for partners to attain Healthcare Elite status, they must possess expertise in the healthcare environment, with superior HP-validated industry qualifications in everything from small practices to large healthcare systems, to payers and clinical settings. Erb's has proven their experience in designing, installing, and supporting healthcare solutions that can have an immediate impact on customers' businesses and people's lives.

"HP recognizes and is excited to reward partners like Erb's for their best-in-class competency and achievement in any particular field. Erb's has exceeded our expectations once again and is very deserving of this recognition," said Paul Day, Healthcare Manager for HP.

"We're just out doing what we do best; trying to simplify the lives of our customers," commented Mike Brogan, President of Erb's. "While we are very accepting of this recognition, what really matters is that the service we are providing is making a difference in the dramatic changes the healthcare industry is facing today."

This elite designation arms Erb's, a veteran in the healthcare industry, with some noteworthy value-adds by allowing them to offer EHR Readiness Assessments, Pre-certified HP Hardware on ISV Platforms, Hosted offerings in conjunction with All Scripts MyWay product, Pharmacy solutions, X-ray solutions by BARCO and much more.
